

North Hampton Energy Committee

Minutes: 10/11/07

MaryLou will be having solar panels installed on her house at 111 Walnut. This is a photo-op for our committee. If you can join in the photograph please call or e-mail MaryLou at : orgfarm@comcast.net or 964-6793.

Dietrich Ebert will head the task force for energy audit of our library. Please communicate with him if you would like to assist: BMWR80@netzero.com or 964-8620.

MaryLou will inquire about the architectural plans for the new Highway Dept. building. The energy committee would like to review them.

Library: MaryLou will work with Loreen about:

1. a shelf or section of a shelf for energy conservation related literature
2. creating a monthly study group to discuss the book "Deep Economy" by David Gibbons
3. showing a movie "World Out of Balance". This movie will be shown Sunday, 10/14, at the Unitarian Universalist Church in Exeter at 7:00 p.m.

We will ask Bob Landman to head task force on using bio-diesel fuel on autos used by our municipal organizations.

Our next meeting will be on Thursday, Oct. 25th, at the library, 7:00 p.m.

Respectfully submitted,

Pat Moreinis Dodge
